Due to circumstances beyond our control, ie SARS clearances, local government compliances, etc we feel we could not do the Ugu South Coast Tourism Bowls Fest justice to hold the tournament in September 2017.

We are, however, in negotiations with the Tourism Board to hold this tournament around the same time next year and you will be contacted immediately we have confirmation.

Kindly advise your clubs.

Our most sincere apologies for the necessary postponement, but being the first time we have entered into a joint venture of this kind, there were quite a number of processes we were unaware of.

Yours in Bowls
